

Dear residents,

The Parish Council have recently obtained grant funding to upgrade the play equipment on The Meadows. Some new equipment will be installed, some removed, and a footway created.

The work is scheduled to start on 29th June and should take about three weeks to complete. The area will be roped/fenced off and the Council would be grateful if you would ask any children to stay clear for safety reasons.

The Contractor will need unobstructed access via the slip road and some space to park 3 vehicles adjacent to the skateboard ramps. It would be appreciated if your vehicles could be parked appropriately and/or on the road

Many thanks,

Alan Whittaker
Clerk to the Parish Council

To the Meadows residents and other users of the play equipment area
